The TBS Spirit addresses the demands of modern adventure seekers with the latest lightweight fabrics and pole technologies in a trusted reliable formula. With the inclusion of TBS PRO, these lightweight tents are reassuringly strong in all conditions. "For such a lightweight tent, the TBS Spirit is wonderfully wind and weather proof due to it's sound frame and tensioned outer layer." SINGLETAK MAGAZINE

## Features

- Vango Lifetime Guarantee
- TBS PRO - Lightweight Tension Band System which ensures that the tent performs in adverse weather conditions, especially in high winds
- Protex SPU-SL3000 flysheet which is durable 30 denier, extremely lightweight nylon that is totally waterproof and reliable
- Seam taped flysheet and groundsheet for long lasting protection. No messy seam sealing
- Tunnel design maximum space at minimum weight
- Flysheet first or "pitch-as-one" for quick and dry pitching
- Powerflex 7001-T6 alloy poles combine precision and strength with flexibility and are resistant to corrosion.
- Mesh ventilation on inner tent reduces build up of condensation; keeps bugs out
- Continuous pole sleeves for fast pitching in all conditions
- Colour coded poles and pole sleeves mean the correct poles easily go in the correct pole sleeves.
- Flysheet vents provide comfort inside in all conditions
- Bath-tub inner groundsheet provides total climate protection
- Adjustable flysheet attachment allows variable tension for variable climatic conditions.
