

Coleman Comfort Bed Double

Product Code: FTJ1595

RRP Price: £34.99

Our Price: £24.99 (Saving £10)

Coleman Comfort Bed Double - Uniquely providing individual comfort for each user, this clever double airbed features the Dual Chamber offering two separate air chambers so that each user can define their own level of comfort, the additional benefit of this system is that it reduces "roll-together" ensuring that each user is fully supported.

This new airbed is Phthalate-free, removing any nasty plasticizers, making it kinder to the environment and kinder to you. It also includes the Coleman Airtight® system with easy-to-use Double Lock™ valves that lock in air two way for a leak-free performance for the life of the mattress. The coil structure gives firm support and enhanced comfort for a more relaxing sleep

Features

- Phthalate free for a kinder, more environmentally friendly airbed.
- Dual air chamber allows each user to define their own level of firmness.
- The internal coil structure provides support.
- Airtight® system: featuring the Coleman® Double Lock valve.
- Thick, puncture resistant PVC is extremely durable.
- PVC thickness: 0.4 mm (bottom) and 0.6 mm on top (flocked). The 0.6 mm thick PVC on the top of the airbed creates a strong airbed that holds up to 270 kg.
- The flocked surface provides comfort.
- Polyester storage bag included.
- Repair kit included.
- Dimensions: 188 x 137 x 22 cm
- Weight: 3.5 kg
