

Coleman F1 Lite Lanterr

Product Code: SZB7183

Our Price: £24.99

Our lightest lantern: only 88 g! Perfect for outdoor activities where compactness is a must! The F1 range offers performance and compactness at an incredibly light weight. Operating off 70/30 Butane/Propane cartridges, it offers a combination of features that backpackers and trekkers have previously only dreamt about. Coleman® engineers have designed these 2 stoves and lantern using the best technology available and they include advanced materials such as PEEK plastic. The lightest lantern in the market. It has been designed for trekking where every gram counts. The textile carry pouch incorporates a lightweight protection cylinder for added convenience. Easy access to mantle with detachable mesh globe that is unbreakable. Wire knob for easier handling (with gloves). • Operating off C 100, C 250 or C 500 cartridges • Gas outflow: 25 g/h • Light cable handle (only 4.1 g) • Mantle: Standard mantle.(size S) • Dimensions: 52 x 52 x 104 mm
