RRP Price: £64.99

Our Price: £34.99 (Saving £30)

Outwell Ohio L kids Room - The NEW revolutionary range of Outwell Kids Room inner tents fits all our 2008 family tents that have more than one bedroom.

Imagine your kids having their own inner tent to sleep and play in and even with their own private entrance – off course at a height where they can unzip the door and get into their space.

Kids love having their own space – their own den that is both playroom and retreat. In the Kids Room inner tent, they also have a roomy mesh organiser pocket for stowing toys and other treasured personal possessions. The ideal place for curling up with a book, the Kids Room is also perfect for inviting Mom or Dad in for a chat, or for a game of on-ur-back basketball, using the net goals mounted on the ceiling. Numbers on the ceiling make score-keeping easy, and a set of three soft, lightweight balls for the game is included with the purchase of every Kids Room.

Appealing to boys and girls alike with its friendly muted colours, the jungle-themed den is a favourite daytime haunt, a standing invitation to no end of holiday adventures. Come night time, the ceiling is a lofty, starry sky that will inspire and induce the sweetest holiday dreams.
