Coleman Hampton Double - Double-sized comfort for you and your companion, the Hampton™ Double offers luxury for couples at the campsite.

A soft and sumptuous over-sized rectangular sleeping bag, it is built for individual comfort thanks to the large dimensions, supersoft flannel lining and addition of a Comfort Cuff which is a baffle of flannel lined insulation that sits next to the face, surrounding it in softness.

This bag features Coletherm® insulation offering a higher, plusher loft and greater warmth. The larger dimensions, rectangular design and soft cotton lining ensure that this extra spacious bag is ideal for camping

Features

- The Hampton Double features 2 zippers, one each side of the sleeping bag allowing each person to get in and out of the sleeping bag with ease.
- The 100% cotton shell is comfortable and soft to the touch, it is cool in warm temperatures and warm in colder temperatures.
- The 100% cotton flannel lining provides extreme comfort and softness against the skin.
- Coletherm insulation is a hollow fibre with great loft and temperature performance.
- The ZipPlow prevents zipper snags by ploughing fabric away from the zipper, avoiding both snagged fabric and zipper teeth damage.
- The thermo collar minimises heat loss across the shoulder area, an additional baffle of insulation ensures that warmth is kept in the sleeping bag.
- The Thermlock zipper baffle runs down the full length of the zipper reducing heat loss in this vulnerable area.
- You can keep your valuables close with the internal security pocket.
- Comfort Cuff is a return of the lining over the shell to provide softness next to the face for additional comfort.
- Zipper opens up fully so that it can be used as a duvet.
- Large, square stuff sack is easy to pack
