Coleman 4AA Camp Lantern -Fun and colourful personal lantern, kids will love the 3 candy colours available. The lightweight design makes it the perfect size to carry anywhere, providing personal area light and also enough light for a small group, whether at home in the garden or on the campsite. While the rugged construction ensures that they are built to last and feature tough ABS housing in addition to weather resistant materials to withstand the elements. ABS housing is an ideal choice for family camping as it copes with more heavy-duty use, especially when the kids are using it. The light is bright and effective thanks to the use of a krypton bulb and the handle is a convenient design, it can be used for carrying or hanging.
